Subject: Could you help me get this to the NACEPT and Assumable Waters subcommittee
Attachments: ACOE Memo Assumable Water 20180730.pdf

Hey Jake,

It seems that not every member of the assumable waters subcommittee got a copy of this memo from the Army, although I think they tried or planned to try to get it to them. Could you help us distribute this.

I'm also cc'ing the NACEPT DFO, Eugene Green, who may be able to inform the immediate NACEPT members.

Thanks,

Michael
